## PASTOR'S NOTES

### The Annunciation

Dear Brothers and Sisters,

This past week we celebrated the Solemnity of the Annunciation on Monday. This feast is usually celebrated on March 25, nine months from Christmas. However, because March 25<sup>th</sup> was in the middle of Holy Week, to allow for an appropriate celebration of the feast, the Church moved our liturgical observance to April 8, avoiding Holy Week as well as the Octave of Easter.

Although it was not a Holy Day of Obligation this year, there are many blessings to recall. It is said that between the Archangel Gabriel's invitation and Mary's acceptance of Her role as the Mother of Jesus, all of creation held its breath. For God invites, enables and waits but never forces or compels us to do His will. Our Lord is a perfect gentleman. He doesn't force Himself on people. Mary could have said no. She did not.

It's important to see Mary's "yes" in the context of Her entire life instead of just one important historical moment. That is, we don't wake up from a hard sleep one moment and decide to be heroic and holy. It is a way of life. And while we do not know the specifics, the special moment of the Annunciation most assuredly was situated in a lifetime of moments in which Mary stood ready, arms wide-open to welcome whatever God asked of Her.

Years after the Annunciation, Mary's Son Jesus would affirm that, "I do the will of the One who sent me." Humanly speaking, Jesus learned the lesson of absolute openness to the Divine Will and an eagerness to do whatever God asks of Him and to accept whatever God permits from His parents, most especially His Mother.

Mary was free to say yes or no—to God and to us. But Her freedom is always situated within a ready obedience. After Our Lady heard what God wanted of Her, she said "Yes!" When I pray the first joyful mystery of the Rosary, the Annunciation, I pray for my yes and the many yeses of our parishioners. And further, like Mary and Jesus, I pray for our answer to God's call is preceded by fidelity that makes our answers holy and trusting in Divine Providence.

The concept of freedom is an important one for Americans. But these days, we tend to think of freedom only in terms of freedom of choice--I get to do what I want to do no matter what. The example of Mary at Her Annunciation and Jesus throughout His ministry show us another understanding of freedom, one that blossoms in obedience, something that makes most modern Americans uncomfortable if we're being honest.

Was Mary lessened or diminished in any way by Her fiat? No. She is the Mother of God and she found the highest level of freedom in the Father's will for Her. Mary became the best of our race through a freedom that bloomed within an obedience to the Divine Will!

At Her Annunciation then, Mary becomes a role model for every Christian. Her response must become ours as well." Loving obedience to God's will for us is how we become the person we are truly meant to be and how we become a saint. If you need any more proof of this, just study the response of the Saints to the will of God. YES! To prepare for those yeses, it is good for us to always trust and seeking to be in union with our Lord especially at Holy Mass.

God Bless,

A handwritten signature in blue ink that reads "Fr. Don Kline".

Fr. Don Kline, V. F.

## GOSPEL REFLECTION

### Jesus Opened Their Minds to Understand the Scriptures

Aren't we like the apostles? We won't believe unless we can see with our own eyes. The Gospel accounts attest to the reality of the resurrection of Jesus from the grave. Jesus goes to great lengths to assure his disciples that he is no mere ghost or illusion. He shows them the marks of his crucifixion and he explains how the Scriptures foretold his death and rising.

Jerome (347-420 AD), an early church bible scholar, comments:

*"As he showed them real hands and a real side, he really ate with his disciples; really walked with Cleophas; conversed with men with a real tongue; really reclined at supper; with real hands took bread, blessed and broke it, and was offering it to them... Do not put the power of the Lord on the level with the tricks of magicians, so that he may appear to have been what he was not, and may be thought to have eaten without teeth, walked without feet, broken bread without hands, spoken without a tongue, and showed a side which had no ribs." (From a letter to Pammachius against John of Jerusalem 34)*

#### **The door to heaven and key to paradise is through the cross**

The centrality of the Gospel message is the cross - but fortunately it does not stop there. Through the cross Jesus defeated our enemies - death and Satan and won pardon for our sins. His cross is the door to heaven and the key to paradise. The way to glory is through the cross. When the disciples saw the risen Lord they disbelieved for joy! How can death lead to life, the cross to victory? Jesus shows us the way and he gives us the power to overcome sin and despair, and everything else that would stand in the way of his love and truth. Just as the first disciples were commissioned to bring the good news of salvation to all the nations, so, we, too, are called to be witnesses of the resurrection of Jesus Christ to all who live on the face of the earth. Do you witness the joy of the Gospel to those around you?

*Lord Jesus, open our minds to understand the Scriptures that we may fully comprehend the truth of your word. Anoint us with your power and give us joy and boldness to proclaim the Gospel in word and deed.* [dailyscripture.net](http://dailyscripture.net)

## WATER DRIVE FOR THE HOMELESS

### May 4th and 5th

Last summer nearly 400 individuals died as a result of our high summer temperatures. Nearly 200 of those individuals were living on the streets. The increasing number of homeless and the rising Phoenix summer temperatures make water and housing more important than ever.

Water is critical to our homeless populations during the extreme Arizona heat. Help us by donating a case of bottled water to make sure our most vulnerable have the water they need to stay alive. You can help save lives through your donations.

**YOU CAN MAKE A DIFFERENCE!**

We are collecting 32, 36 or 48 count cases of 16.9 oz. bottles.

Questions contact: Shirley Smalley at [ssmalley@saintbernadette.com](mailto:ssmalley@saintbernadette.com)

Did you know that the Society of St. Vincent de Paul was founded by college students who wanted to show that the Gospel and the Catholic Church make a real difference in the world? The Society is anchored by three essential elements: spirituality, fellowship and service. The goal of the Society is to help members grow in holiness through fraternity and fellowship.

The Phoenix Diocesan Council is the largest SVdP Council in the world. Because of that, we have a variety of service and volunteer opportunities. From individuals who volunteer in our stores or one of our five dining rooms to people who join or assist our parish-based conferences, there is room for everyone to join us in service to the poor and vulnerable.

Each week hundreds of Vincentians and Vincentian volunteers bring the love of Christ and the joy of the Resurrection to those in need.

Why not consider joining as a full or associate member or volunteer? Help us enflsh the Gospel message to others through fellowship and service. For information, call 480-905-4439 and leave a message. We will call you back.

**ST. JUDE THE APOSTLE**

### *Who Was Saint Jude?*

Saint Jude was one of Christ's most intimate collaborators, being part of the twelve *Apostles*, a Greek term meaning "one who is sent." While Christ had many disciples (followers), the Apostles' mission to carry the Christian message to the world was unique in the authority they held. "He appointed twelve whom he also named apostles that they might be with him and he might send them forth to preach and to have authority to drive out demons" (Mark 3:14-15).

One of the Church's most beloved saints, Saint Jude is the one to whom people turn when they are desperate and have tried everything else. When things seem lost or unbearable—when they seem hopeless—Saint Jude is the one to whom people often turn.

### *The Relic*

The most reliable ancient records identify the place of Saint Jude's martyrdom and burial to be the city of Beirut. Sometime later, his body was transferred to Rome and placed in a crypt within the original Saint Peter's Basilica, completed by the Emperor Constantine (in 333 AD). Today, his remains are in the left transept of the current Basilica (completed in 1626), below the main altar of Saint Joseph, within a tomb also holding the remains of the Apostle Simon. This resting place has become a popular destination for pilgrims who have a devotion to the Apostle of the Impossible.
