Pastor's Notes

St. Bernadette and our St. John XXIII Catholic Grade School

Dear Brothers and Sisters,

We are so blessed to have St. John XXIII Catholic grade school as part of our history. For over 27 years, our dedicated teachers and staff have educated thousands of young people in the Catholic faith. As we begin our 2026/2027 school year, we give thanks to God for all His blessings as we welcome our students and their families.

As one of the largest Catholic grade schools in the Diocese of Phoenix, we have our share of blessings and challenges. We beg God to strengthen our Catholic identity and to fortify the faith of all the families attending our school. Our mission at Saint John XXIII Roman Catholic School includes a partnership of parents, students, staff, and our parish family to nurture the growth of the whole child in a Catholic, faith-based education through a challenging academic environment. In this Christ-centered atmosphere, the unique qualities of each student grows. Children are encouraged to be life-long learners and are taught to be active Christian leaders throughout their lives.

At St. John XXIII Catholic grade school, our staff and our teachers are dedicated to bringing our children closer to God. We have had a long and blessed tradition of serving the greater community by providing an excellent Catholic education for our children. Through the countless sacrifices of so many, these little ones are introduced to the faith, thereby enabling them to encounter the living Christ and to go out into our world to make disciples.

Part of the reason we can serve so many families has to do with financial assistance. We are blessed to be able to offer scholarships to families who would otherwise not be able to send their children to our school. One of the reasons for these scholarships comes from Arizona's private education tax credit which empowers individuals and corporations to choose what their tax dollars support. This tax credit greatly impacts Catholic schools. Rather than writing a check to the state of Arizona, you can direct your tax credits to a general fund (serving schools with highest need) or the school(s) of your choice. Please go to <https://catholiceducationarizona.org> for more information about how you can change a family's life.

These little ones are God's gift to us. Let us all work together to make this coming school year the best it can be. My heart is filled with gratitude for all God is doing in our parish and school. May our Patroness and Patron, St. Bernadette and St. John XXIII obtain for each of us the grace to one day meet God face to face, and may Our Lady be our solace and guide in every endeavor, joy, and trial! And may the Holy Eucharist be our wisdom and strength!

God Bless,

Fr. Don Kline

Student's Prayer by St. Thomas Aquinas

Creator of all things, true source of light and wisdom, origin of all being, graciously let a ray of your light penetrate the darkness of my understanding. Take from me the double darkness in which I have been born, an obscurity of sin and ignorance. Give me a keen understanding, a retentive memory, and the ability to grasp things correctly and fundamentally. Grant me the talent of being exact in my explanations and the ability to express myself with thoroughness and charm. Point out the beginning, direct the progress, and help in the completion. I ask this through Christ our Lord.

Amen.

OCIA *A Journey of Faith*

Do you know someone who is not Catholic but is interested in learning more about the Catholic faith?

Do you have a friend or relative that has been attending mass for years but has never taken steps towards becoming a Catholic?

Do you have gifts, talents and treasures that can be used to help support our initiation process?

The Order of Christian Initiation for Adults (OCIA) is the process that initiates adults who are unbaptized, those baptized in another Christian faith, and Catholics in need of receiving the completion of their sacraments.

Our program accepts participants year round and all are welcomed. We currently have participants ranging in age from their early twenties up to retirees. We would love to hear from you.
